---

### Academic, Curriculum - Registration Fee due upon enrollment

School Year Academic, Curriculum & Registration Fee for infant & toddlers: **\$100.00**

School Year Academic, Curriculum & Registration Fee for Two's, Three's & PreK: **\$150.00**

### **Preschool Program-- We use the same age time-line used by Tennessee Schools as a guide when placing the children in their preschool classes.**

\*A child must be two-years-old by August 15<sup>th</sup> to be admitted into the two-year-old class.

\*A child must be three-years-old by August 15<sup>th</sup> to be admitted into the three-year-old class.

\*A child must be four-years-old by August 15<sup>th</sup> to be admitted into the four-year-old (PreK) class

**Fees** are calculated based on the classroom your child is enrolled in and stays the same throughout the year regardless of age. (i.e. A child enrolled in the two-year-old classroom would pay the two-year-old rate for the duration of the school year, even if turning three). A child's tuition rate is based on the class that the child is enrolled in. \*\*\* **Potty-Training:** Upon entering the three-year-old and/or PreK programs, children must have completed potty-training milestones.
